# Homecoming

## I am Victorious

The 2008 homecoming week was one full of pride and determination by each class. One of the upsetting results of the week was the powderpuff football game ending up in a tie score of 0-0. Throughout the week, there were different dress-up days. Monday-jersey day, Tuesday-clash day, Wednesday-class color day, Thursday-theme day, and Friday was the traditional black out and bandana day. After adding up the week's total points, it was the sophomore class in first place, followed by the freshmen, then the juniors and seniors bringing up the rear. However, there was still hope for those upper classmen going into the convocation Friday afternoon! The convo's activities consisted of the class cheer, powderpuff cheerleaders dance-off, food eating contest, and tug-o-war. The food eating contest and tug-o-war were won by none other than the seniors. Winners of the class cheer and dance-off were the juniors. Overall, this was a fun-filled week here at DeKalb with Baron pride being shown around every corner!

Snowcoming was a huge success! Students dressed to show their school spirit, and earn points to pull ahead in the class competitions. Monday was Hats and Scarves, Tuesday was Black Out day, Wednesday was a Touch of Class, Thursday was Tacky Sweater day, and Friday was White Out day. Overall Seniors came in last, Juniors came in first, Freshmen came in second, and Sophomores came in third. Juniors swept the crowd off their feet by winning the food competition, dodgeball competition, and class cheer. "Khaki pants" (a.k.a. Sam Varian) was the trick according to Mr. Bodnar. Instead of the usual snowcoming dance, student council held a movie night.

## PROM 2009

May 9, 2009. The day girls had spent months planning for, while guys rushed out last minute to order a tux. Flowers were ordered, dinner reservations made, and group picture times set in place. Grand March was first, where students walked down a blinding carpet while moms and grandmas excitedly took pictures. Following was the dance at the ACD museum where the new DJ kept most people out on the dance floor all night. Samantha Topp, Bonnie Warner, Mattie Taylor, Joshua Jarnagin, Landon Grogg, and Kyle Wehr were honored members of the prom court, while Kyle and Mattie were crowned King and Queen. Following was the King and Queen dance to "Love Story" by Taylor Swift, this year's prom theme. For some, this prom simply marked the beginning of many to come; for others, it ultimately meant the year was coming to a close.

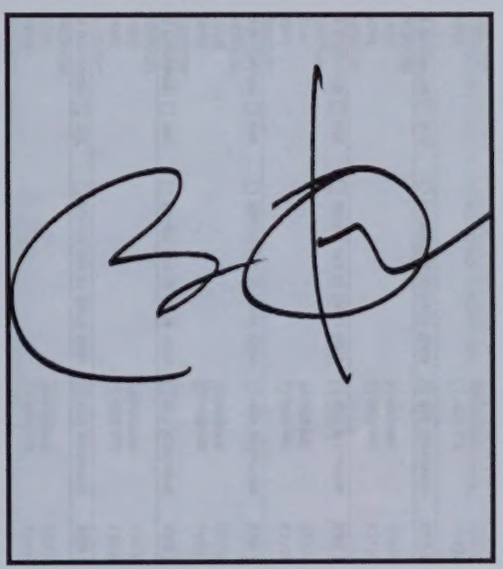
# Presidential Inauguration 2009

*The Presidential Inauguration of Barack Obama was held in Washington, DC on January 20, 2009.



## Inauguration FACTS

*An estimated **1.8 million** people attended the 2009 Inauguration, a record breaking number for any event in the nations capitol.

*The official theme for the inauguration was "**Renewing America's Promise.**"

*The cost of the 2009 inauguration was an estimated **$75 million**, higher than any prior inauguration.

*Chief Justice John Roberts mixed up some of the words during the **oath of office.**

***Senator Edward Kennedy** had a seizure (due to exhaustion/brain cancer) and collapsed during the Inaugural luncheon.

Ms. Tubergen

Even after experiencing the emotion of meeting Barack Obama in March 2008 during a stop in Marion, Indiana, attending the "inauguration" of Barack Obama on January 20, 2009 generated more emotion for me than I could ever have imagined. For 5 hours in below-zero temperatures, I was surrounded by people of all ages, genders, ethnic backgrounds, and economic diversity: elderly in wheelchairs and on canes; and even a number of quadraplegics. Never in my life have I witnessed so many hundreds of thousands of "happy," tearful people: a moment in time for me to cherish forever.

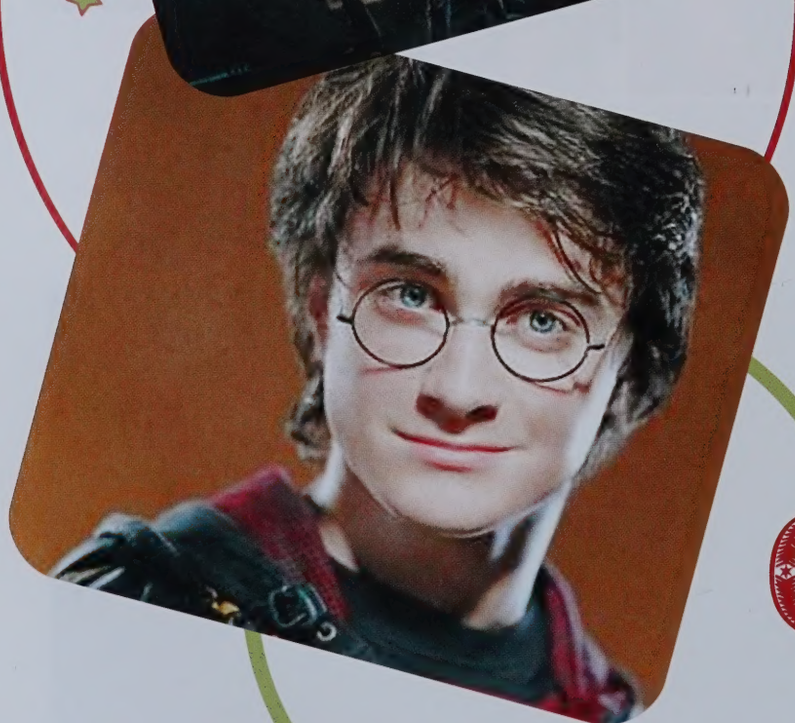
# Harry Potter VS. Twilight

# I am



**Q**uestion: Many teens loved the Harry Potter series, but what happens when a **NEW** series comes out... does Harry Potter take second place? Which do ***you*** prefer? Harry Potter, or Twilight? To discern the answer for our freshmen here at Dekalb, we took a survey in the freshmen English classes of Bruening, Rohm, Beard, Weicht, and Ziebell for the tally. Although many students are fond of Harry Potter, Twilight was just too much for the teens to resist. So, when tallied, it is obvious that at Dekalb...

# You choose Harry Potter or Twilight?

Emily Zimmerman: **Twilight**
Why: "**It captures the teenage life with romance and drama. I can relate to it.**"

Patrick Walters: **Twilight**
Why: "**I'm a sucker for romance.**"

Caleb Miller: **Harry Potter**
Why: "**It feels more in-depth, and more full. Twilight seems dreary and the vampires glowing doesn't feel right.**"

Brittany Christlieb: **Twilight**
Why: "**Because Edward Cullen is hot!**"

Grant Rollins: **Harry Potter**
Why: "**Because it is more manly, and I like the adventure.**"

Molly Clair: **Twilight Books/Harry Potter Movies**
Why: **Harry Potter was better at showing the story through the movies, and the Twilight books were more descriptive.**

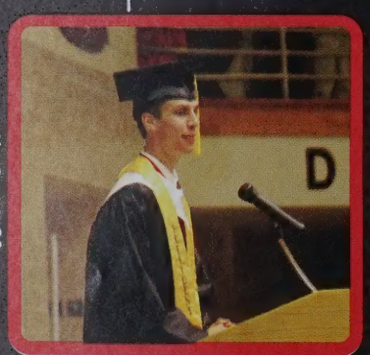
## Speeches

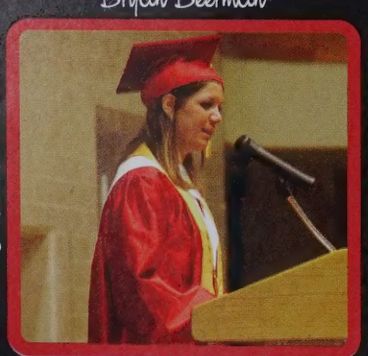
Welcome



Bryan Beerman

"...If you could concentrate while viewing yellow and orange wallpaper with red carpeted walls, listening to construction crews fix the roof yet another time, a nd withstand hours of sweltering temperatures w/o air-conditioning, then you will be able to succeed without ANYTHING distracting you from your goals."

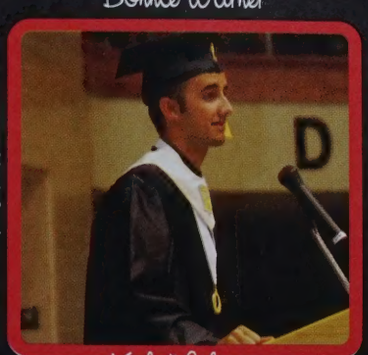
Intention



Bonnie Warner

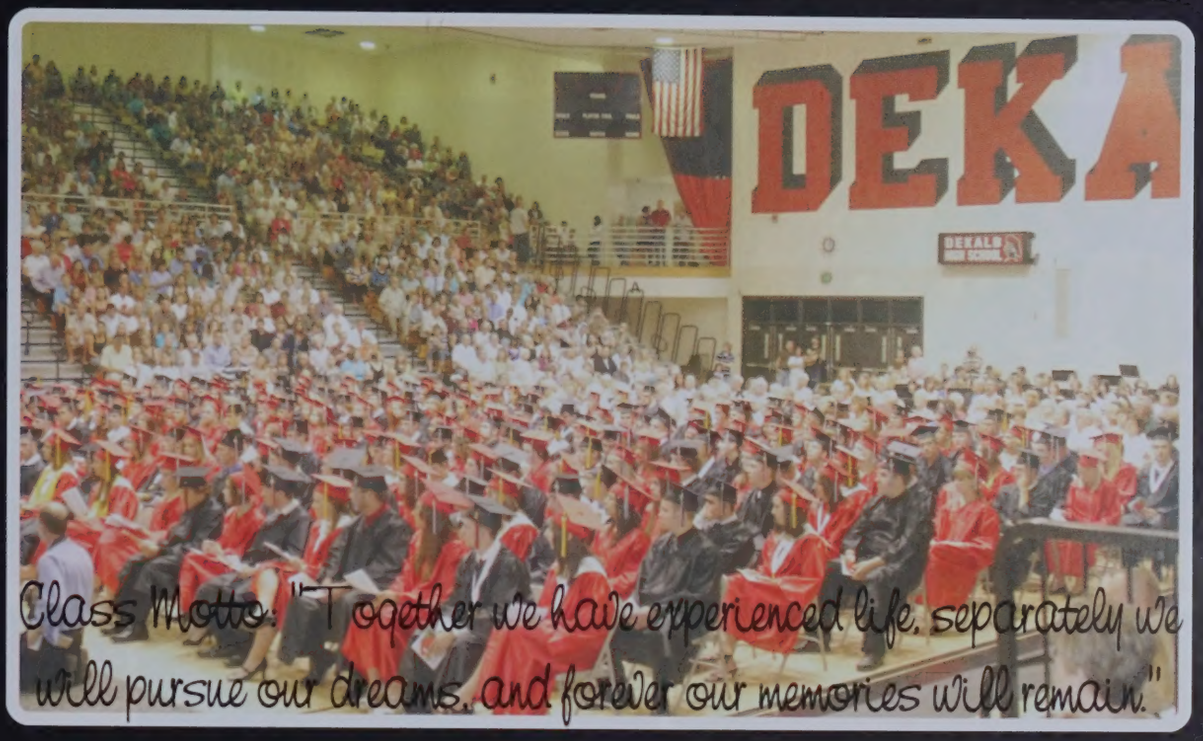
"...I see talent. I see beauty. I see brains. I see the faces of our future... Class of 2009, dare to risk. Dare to dream. Dare to fail. But ultimately, dare to be the best you can be...30 years from now, you won't remember the scenic drive to school, but I hope you'll remember the lessons learned inside these walls; not only about The Pythagorean Theorem and Odyssey's journey, but also about each other and ultimately ourselves."

Farewell

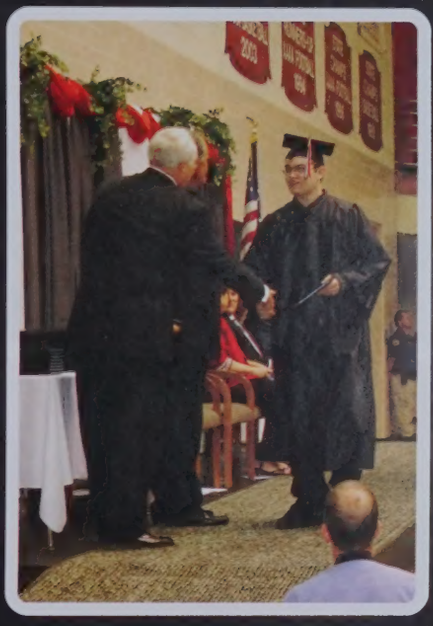


Kyle Wehr

"...It's been a solid 13 years of daycare...not that we haven't enjoyed the 10 page papers, or the endless array of writing prompts...for the most part school has been an enjoyable ride...Even though we may not have been tremendous athletes, or straight A students, today we are all equals...we will all have the same chance to make something of ourselves."



Class Motto: "Together we have experienced life, separately we will pursue our dreams, and forever our memories will remain."



The graduation ceremony started with the band playing, followed by Janelle Rosenbury and Nick Maloy's beautiful rendition of the National Anthem. The 3 speeches were amazingly tied together and unforgettable. No one will ever forget the beach balls, and Justin's socks. Thanks to all the faculty and staff members especially Mr. Fleming and Mrs. Rohm for making the ceremony memorable.

If you were pictured, but not properly indexed, we apologize. A great deal of time and effort was put into the making of this book by The 2009 Saber Staff and Mrs. Rohm. Although we combed through the book for errors, it still remains a student publication which may have a few. Again, a lot of hard work went into the production of this book, so we hope you enjoy it for years to come.

The yearbook staff would like to take a moment to thank Charlsie Wiseman and Mark Childs from Josten's for their incredible work. You saved us!

To the community businesses, we appreciate your support even in these economic hard times. Without your help, we wouldn't be able to produce a quality book like this. MANY THANKS!!!

The Saber staff would also like to thank everyone who contributed photos for the Saber production. We are not able to be everywhere, so this makes a HUGE difference.

ENJOY!
